They could care less as long as someone'll bleed

Fill in the gaps

Teenagers by My Chemical Romance

They're gonna clean up your looks	So darken your clothes
With all the lies in the books	Or strike a violent pose
To make a citizen out of you	Maybe they'll leave you alone
Because they sleep with a gun	But not me
And keep an eye on you, son	Oh yeah
So they can watch all the things you do	They say
Because the (1) never work	All teenagers scare the living shit out of me
They're (2) you a smirk	They could care less as long as someone'll bleed
'Cause they got methods to keep you clean	So darken your clothes
They're gonna rip up your heads	Or strike a (8) pose
Your aspirations to shreads	Maybe they'll leave you alone
Another cog in the murder machine	But not me
They said	All together now
All (4) scare the living shit out of me	Teenagers scare the living shit out of me
They could care less as long as someone'll bleed	They could care less as long as someone'll bleed
So darken your clothes	So darken your clothes
Or (5) a violent pose	Or strike a violent pose
Maybe they'll leave you alone	Maybe they'll leave you alone
But not me	But not me
The boys and girls in the clique	Teenagers scare the living shit out of me
The awful names that (6) stick	They could care (9) as long as someone'll bleed
You're never gonna fit in much, kid	So darken your clothes
But if you're troubled and hurt	Or strike a violent pose
What you got (7) your shirt	Maybe they'll (10) you alone
Will make them pay for the things that they did	But not me
They said	
All teenagers scare the living shit out of me
