It Must Have Love by Roxette

Fill in the gaps

it made have boto by hoxolic
It Must Have Been Love But its over now
Lay a whisper on my pillow
Leave the winter on the ground
I wake up lonely, there's air of silence
In the bedroom and all around
Touch me now, I close my eyes and dream away
It must have been love, but it's over now
It must have been good, but I lost it somehow
It (1) have been love, but it's over now
From the moment we touched till the time had run out
Make believing, we're together
That I'm sheltered by your heart
But in and outside I've turned to water
But in and outside I've turned to water Like a (2) in (3) palm
Like a (2) in (3) palm
Like a (2) in (3) palm And it's a hard winter's day, I dream away
