

## Fill in the gaps

So tired, tired of these drama	No more pain (no more pain)
No more, no more	No more game (no (3) game messin (4)
I wanna be free	my mind)
I'm so tired, so tired	No drama (no more (5) in my life)
Broken heart again	No one's gonna make me hurt again
Another lesson learn	No more tears (no more tears, I'm tired of cryin everynight)
Better know (1) friends	No (6) fears (no more fears, I really don't wanna
Or else you will get burn	cry)
Gotta count on me	No drama (no (7) drama in my life)
Cause I can guarantee	I don't ever wanna hurt again
That I'll be fine	Wanna speak my mind, wanna speak my mind
No more pain (no (2) pain)	Uh, it feel so good
No more pain (no more pain)	When you let go
No drama (no more drama in my life)	Of all the drama in your life
Noone's gonna make me hurt again	Now you're free from all the pain
Why'd I play the fool	Free from all the game
Go through ups and downs	Free from all the stress
Knowin' all the time	So bye (8) happiness
You wouldn't be around	I don't know
Well maybe I like the stress	Only God knows where the story ends
Cause I was young and restless	For me, but I know where the story begins
But there was long ago	It's up to us to choose
I don't wanna cry no more	Whether we win or loose
	And I (9) to win
