

Fill in the gaps

So tired, tired of these drama	No more pain (no (3) pain)
No more, no more	No more game (no more game (4) with my
wanna be free	mind)
'm so tired, so tired	No (5) (no more drama in my life)
Broken heart again	No one's gonna make me hurt again
Another lesson learn	No more (6) (no more tears, I'm tired of cryin
Better know your friends	everynight)
Or else you will get burn	No more fears (no (7) fears, I really don't
Gotta count on me	(8) cry)
Cause I can guarantee	No drama (no more drama in my life)
That I'll be fine	I don't ever (9) hurt again
No (1) pain (no more pain)	Wanna speak my mind, wanna speak my mind
No more pain (no (2) pain)	Uh, it feel so good
No drama (no more drama in my life)	When you let go
Noone's gonna make me hurt again	Of all the drama in your life
Why'd I play the fool	Now you're free from all the pain
Go through ups and downs	Free from all the game
Knowin' all the time	Free from all the stress
You wouldn't be around	So bye your happiness
Well maybe I like the stress	I don't know
Cause I was young and restless	Only God (10) where the story ends
But there was long ago	For me, but I know where the story begins
don't wanna cry no more	It's up to us to choose
	Whether we win or loose
	And I choose to win
