

Fill in the gaps

From (1) the trees, we watch the	If everyone cared and nobody cried
sky	If everyone loved and nobody lied
Confusing stars for satellites	If everyone shared and swallowed their pride
I never dreamed that you'd be mine	Then we'd see the day (7) (8) died
But (2) we are, we're here tonight	When (9) died
Singing, "Amen I, I'm alive"	And as we lie beneath the stars
(I'm alive)	We (10) how small we are
Singing, "Amen I, I'm alive"	If they could love like you and me
If everyone cared and (3) cried	Imagine what the world could be
If everyone loved and nobody lied	If everyone cared and nobody cried
If everyone shared and swallowed their pride	If everyone loved and nobody lied
Then we'd see the day when nobody died	If everyone shared and swallowed their pride
And I'm singing	Then we'd see the day when nobody died
Amen I, Amen I, I'm alive	If everyone cared and nobody cried
Amen I, Amen I	If everyone loved and nobody lied
(I'm alive)	If everyone shared and swallowed their pride
And in the air the fireflies	Then we'd see the day when nobody died
Our only light in paradise	We'd see the day, we'd see the day
We'll show the world they were wrong	(When nobody died)
And teach them all to sing along	We'd see the day, we'd see the day
Singing, "Amen I, I'm alive"	(When nobody died)
(I'm alive)	We'd see the day
Singing, "Amen I, I'm alive"	(When nobody died)
If everyone (4) and (5) cried	
If everyone loved and nobody lied	
If everyone shared and (6) their pride	
Then we'd see the day when nobody died
