

Fill in the gaps

And now the end is near
And so I face the final curtain
My (1) I'll say it clear
I'll state my case of which I'm certain
I've lived a life that's full
I traveled each and (2) highway
And more, much more than this
I did it my way
Regrets I've had a few
But then again too few to mention
I did (3) I had to do
And saw it through without exemption
I planned each charted course
Each careful step along the byway
And more, much more than this
I did it my way
Yes (4) were times I'm sure you knew
When I bit off more (5) I could chew
But through it all (6) (7) was doubt
I ate it up and (8) it out, I faced it all
And I stood tall and did it my way

I've loved, I've laughed and cried
I've had my fill, my share of losing
And now as tears subside
I find it all so amusing
To think I did all that
And may I saynot in a shy way
Oh no, oh no, not me
I did it my way
For what is a man what has he got
If not himself (9)_______ he has not
To say the (10)______ he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it my way
Yes it was my way
