

Fill in the gaps

Please understand	I'm empty with the (12) to
This isn't just goodbye	Curse my enemies forever
This is I can't stand you	Let's (13) our wrists and burn down something
This is where the road crashed into the ocean	beautiful
It rises all (1) me	This desperation (14) me overjoyed
And now we're barely breathing	With (15) (16) that lead us
A (2) faces we'll choose to ignore	past the lives (17) we destroy
Curse my enemies forever	Curse my (18) forever
Let's (3) our wrists and burn (4)	Let's (19) our wrists and (20) down
(5) beautiful	something beautiful
This desperation leaves me overjoyed	This desperation is (21) me overjoyed
With fading lights that lead us past the lives (6) we	With fading lights that lead us past the (22) that
destroy	we destroy
I listen to you cry	Please understand
A cry for (7) attention	Lay (23) [24) I fall
But both my hands are tied	I'm (25) from bad intentions
And I'm pushed into the (8) end	Suffocated and embalmed
I listen to you (9) but talk is cheap	And now all our dreams are cashed in
And my mouth is filled (10) blood	You swore you wouldn't lose (26) lost
From (11) not to speak	(27) brain
So search for an excuse	You make a sound that feels (28) pain
And someone to believe you	So (29) understand
In foreign dressing rooms	This isn't just goodbye
	This is I can't stand you
