

Reason will not lead to solution

Fill in the gaps

Dear, I fear we're facing a problem	I will end up lost in confusion
You love me no longer, I know and	I don't care if you (5) care
Maybe there is (1) that I can do	As long as you don't go
To make you do	So I cry, I pray and I beg
Mama tells me I shouldn't bother	Love me, love me
That I ought to stick to another man	Say that you love me
A man (2) surely deserves me	Fool me, fool me
But I think you do!	Go on and (6) me
So I cry and I pray and I beg	Love me, love me
Love me, (3) me	Pretend that you love me
Say that you love me	Leave me, leave me
Fool me, fool me	Just say that you need me
Go on and fool me	So I cry
Love me, love me	And I beg for you to
Pretend that you love me	Love me, love me
Leave me, leave me	Say (7) you love me
Just say that you need me	Leave me, leave me
So I cry	Just say that you need me
And I beg for you to	I can't care (8) anything but you
Love me, love me	Anything but you
Say that you love me	Love me, love me
Leave me, leave me	Say that you love me
Just say that you need me	Fool me, fool me
I can't care about anything but you	Go on and fool me
Lately I have desperately pondered	Love me, (9) me
Spent my nights awake and I wonder	I know that you need me
What I could have (4) in another way	I can't care (10) anything but you
To make you stay	

1. nothing

- 2. that
- 3. love
- 4. done
- 5. really
- 6. fool
- 7. that
- 8. about
- 9. love
- 10. about
