

## Fill in the gaps

When there is (1) left to burn
You have to set yourself on fire
God that was strange to see you again
Introduced by a friend of a friend
Smiled and said "Yes I think we've met before"
In that instant it started to pour
Captured a taxi despite all the rain
We drove in (2) (3) Pont Champlain
And all of (4) time you thought I was sad
I was trying to remember your name
This (5) is a freckle on my porcelain skin
You tried to reach (6) but you couldn't get in
And now you're outside me you see all the beauty
Repent all your sin
It's nothing but time and a face that you'll lose
I chose to feel it and you couldn't choose
I'll write you a postcard, I'll send you the news
From the house (7) the road, from real love
Live through this and you won't look back
Live through (8) and you won't look back
Live (9) this and you won't look back
There's one thing I have to say so I'll be brave
You were what I wanted, I gave (10) I gave
I'm not sorry I met you
I'm not sorry it's over
I'm not sorry there's nothing to save
I'm not sorry there's nothing to save
