

Fill in the gaps

It starts with	Acting like I was part of your property	
One thing	Remembering all the times you fought (6)	me
I don't know why	I'm surprised it got so far	
It doesn't even matter how hard you try	Things aren't the way they (7) before	
Keep that in mind	You wouldn't even recognize me anymore	
I designed this rhyme	Not that you knew me back then	
To explain in due time	But it all comes back to me	
All I know	In the end	
Time is a valuable thing	You kept everything inside and even (8)	I tried
Watch it fly by as the pendulum swings	It all fell apart	
Watch it count down to the end of the day	What it meant to me	
The clock ticks life away	Will eventually	
It's so unreal	Be a memory	
Didn't look out below	Of a time when I tried so hard	
Watch the time go (1) out the window	And got so far	
Trying to hold on	But in the end	
But didn't even know	It doesn't even matter	
Wasted it all just to	I had to fall	
Watch you go	To (9) it all	
I kept (2) inside and even though I	But in the end	
tried	It doesn't even matter	
It all fell apart	I've put my trust in you	
What it meant to me	Pushed as far as I can go	
Will eventually	For all this	
Be a memory	There's only one thing you should know	
Of a time (3) I tried so hard	I've put my trust in you	
And got so far	Pushed as far as I can go	
But in the end	For all this	
It doesn't even matter	There's only one thing you should know	
I had to fall	I tried so hard	
To lose it all	And got so far	
But in the end	But in the end	
It doesn't (4) matter	It doesn't even matter	
One thing	I had to fall	
I don't know why	To (10) it all	
It doesn't even matter how (5) you try	But in the end	
Keep that in mind	It doesn't even matter	
I designed this rhyme		
To remind myself how		
I tried so hard		
In spite of the way you were mocking me		

- 1. right
- 2. everything
- 3. when
- 4. even
- 5. hard
- 6. with
- 7. were
- 8. though
- 9. lose
- 10. lose
