

Fill in the gaps

It starts with	Acting (18) I was part of your property
One thing	Remembering all the times you fought (19) me
I don't know why	I'm surprised it got so far
It doesn't even (1) how hard you try	Things aren't the way they were before
Keep that in mind	You wouldn't even recognize me anymore
I designed (2) rhyme	Not that you knew me (20) then
To explain in due time	But it all comes back to me
All I know	In the end
Time is a valuable thing	You kept everything (21) and even though
Watch it fly by as the (3) swings	tried
Watch it count (4) to the end of the day	It all fell apart
The clock (5) life away	What it meant to me
It's so unreal	Will eventually
Didn't look out below	Be a memory
Watch the time go right out the window	Of a time (22) I tried so hard
Trying to (6) on	And got so far
But didn't (7) know	But in the end
Wasted it all (8) to	It doesn't even matter
Watch you go	I had to fall
I kept (9) inside and even though I	To (23) it all
tried	But in the end
It all (10) apart	It doesn't even matter
What it meant to me	I've put my trust in you
Will eventually	Pushed as far as I can go
Be a memory	For all this
Of a (11) when I tried so hard	There's (24) one thing you (25)
And got so far	know
But in the end	I've put my trust in you
It doesn't even matter	Pushed as far as I can go
I had to fall	For all this
To lose it all	There's (26) one thing you should know
But in the end	I tried so hard
It doesn't (12) matter	And got so far
One thing	But in the end
I don't (13) why	It doesn't even matter
It (14) even matter how hard you try	I had to fall
Keep that in mind	To lose it all
I (15) rhyme	But in the end
To remind myself how	It doesn't even matter
I tried so hard	
In (17) of the way you were mocking me
