Too Afraid To Love You by The Black Keys

My gears they grind	All those sleepless nights
More (1) day	And all those wasted days
And I feel like	I wish loneliness would leave me
They're gonna grind away	But I think he's (7) to stay
And the city blocks	What more can I do
They (2) me wild	I'm wringing myself dry
They're never ending	And I can't afford to lose
Mile after mile	One (8) teardrop (9) my eye
I just don't know what to do	I'm too afraid
I'm too (3) to love you	I'm too afraid
It's (4) on earth	I (10) don't know what to do
In her embrace	With myself
And her (5) face	Thinking all the time in you
I'm just one wishing	Don't know what to do
That I was a pair	Don't know what to do
With someone	Drivin me outta my mind
(Oh) somewhere	
I (6) don't know what to do	
I'm too afraid to love you
