Live A Little by Gym Class Heroes

Can you feel the urgency?

...

Like a needle pulling out

Staring at the clock

Can you feel the urgency?

I hear each (3)_____ and tock

Pulses of anxiety

And they whisper that I lost the race

We're just faces in the crowd

But I won't fucking stop

Pulses of anxiety...(oh)

I'll hold you by my side

Are these the lies that we've been (1)_____ to
believe?

I need you here to fight

Are these the lives that we (2)_____ opted to lead?

Cause' if we're gonna' lose this thing

(Uh oh..., uh oh...)

Then we're goin' out in style

...

Staring at the clock

Staring at the clock

I (4)_____ (5)_____ (6)_____ and tock

I hear each tick and tock

And (7)_____ whisper that I lost the race

And they whisper that I lost the race

But I won't (8)_____ stop

But I won't fucking stop

I'll hold you by my side

I'll hold you by my side

You (9)_____ I need you here to fight

I need you here tonight

Cause' if we're gonna' lose this thing

Cause' if we're gonna' lose this thing

Then we're goin' out in style

Then we're goin' out in style

Staring at the clock

Time will replace reality

I hear each tick and tock

Now we are peaking through the hours

And they (10)_____ that I lost the race

Time will replace reality

But I won't fucking stop

So I grasp for sanity

I'll hold you by my side

I refuse to be devoured

You know I need you here to fight

So I grasp for sanity

Because if we're gonna' lose this thing

Are these the lies that were taught to believe?

Then we're goin' out in style

Are these the lives we have opted to lead?

(Uh oh..., uh oh...)
