Live A Little by Gym Class Heroes

Can you feel the urgency?	
Like a (1) pulling out	Staring at the clock
Can you feel the urgency?	I hear each tick and tock
Pulses of anxiety	And they whisper that I lost the race
We're (2) faces in the crowd	But I won't (16) stop
Pulses of anxiety(oh)	I'll hold you by my side
Are these the (3) that we've been	I need you here to fight
(4) to believe?	Cause' if we're gonna' lose this thing
Are these the lives (5) we have opted to lead?	Then we're goin' out in style
(Uh oh, uh oh)	Staring at the clock
	I hear (17) tick and tock
Staring at the clock	And they whisper that I lost the race
I hear (6) tick and tock	But I won't fucking stop
And they whisper that I (7) the race	I'll hold you by my side
But I won't fucking stop	You know I need you here to fight
I'll hold you by my side	Cause' if we're gonna' lose this thing
I (8) you (9) tonight	Then we're goin' out in style
Cause' if we're gonna' lose (10) thing	Staring at the clock
Then we're goin' out in style	I (18) (19) (20) and tock
Time will replace reality	And (21) (22) that I lost the race
Now we are peaking through the hours	But I won't fucking stop
Time will (11) reality	I'll hold you by my side
So I grasp for sanity	You know I need you here to fight
I refuse to be devoured	Because if we're gonna' lose this thing
So I grasp for sanity	Then we're goin' out in style
Are (12) the (13) that were taught to	
believe?	
Are (14) the lives we (15) opted to	
lead?	
(Uh oh, uh oh)
