

I remember black skies

## Fill in the gaps

So give me reason

The lightning all around me
I remember each flash
As time (1) to blur
Like a startling sound
That fate had finally found me
And your voice is all I heard
That I get what I deserve
So (2) me reason
To (3) me wrong
To wash this memory clean
Let the (4) cross
The distance in your eyes
Now give me reason
To fill this hole
Connect the space between
Let it fill up
To reach the truths and lies
Across this new divide
There was nothing left inside
The memories left abandoned
There was nothing else to hide
Te ashs fell like snow
And the ground caved in
Between where we were standing
And your voice is all I heard
That I get what I deserve

To (5) me wrong
To wash this memory clean
Let the thoughts cross
The distance in your eyes
Across this new divide
And (6) loss and every lie
And every truth (7) you deny
And each (8) and each goodbye
Was a mistake too great to hide
And your voice is all I heard
That I get what I deserve
So give me reason
To prove me wrong
To wash (9) memory clean
Let the thoughts cross
The distance in your eyes
Give me reason
To fill this hole
Connect the space between
Let it (10) up
To reach the truths and lies
Across this new divide
Across this new divide
