## Separated by Avant

## Fill in the gaps

Listen babe	Baby tell me why
Every time I see you I get a bad vibe	(When we were together)
Just thinkin of someone else in between you	We never turned our backs on each other
And you thought you were slick had tricks up your sleeve	(Oh) But now (6) we're separated
But I'm sick of your stupid act and I (1) you're tired	We can't stand one another
of me	It's really over baby
That's why I say	Cause you did me wrong
(When we were together)	You did me wrong I thought you were true
We never turned our backs on each other	You ran out of my life and now I'm so through with you
(Oh) But now that we're separated	I remember (7) you used to sit there
We can't stand one another	I would (8) you in my arms and you would say to
I don't wanna be with you put that on everything I own	me
I can't believe I stayed around that damn long	(Yeah)
If I never see you again I won't be mad at all	I would rub your body you would say to me (yeah)
Cause I believe that you are my downfall	When we were together you'd say (yeah)
You did me wrong	I can hear your body sayin (yeah)
You did me wrong I thought you were true	Sounds so (9) to me (oh yeah, oh yeah yeah yeah)
You ran out of my life and now I'm so (2)	(When we were together)
(3) you	(We (10) turned our backs on each other)
I wanted you to be there right here with me (oh)	
When we were together	
We (4) turned our backs on each other	
(Oh) But now that we're separated	
We can't (5) one another
