_ you mad

I love the tone that's in your laugh	I'm always gonna live to be (6) man
Gasping for an extra breath	Hold on
Waiting for the time to pass	Hold on
I believe in (1) ahead	Cause I'd give everything I have
Don't spend another night alone	Forget all the things that bring me joy
Cross and wishing you were dead	If you could have one day
Mary, you shouldn't let them make you mad	Pure and simple happiness
You hold the best you can	Until that (7) comes
And Mary, (2) all the (3) is gone	I'll be here where I've always been
I'm always gonna live to be your man	I'm gonna be (8) friend
Hold on	Until the day I die
Hold on	Mary, you shouldn't let 'em (9) you r
I've had it easy now you see	You hold the (10) you can
When I'm down you're always there	And Mary, after all the pain is gone
Standing by to comfort me	I'm always gonna live to be your man
Someday we'll go round the world	Hold on
I'll make the (4) so sublime	Hold on
I know you're not a travelin' girl	Hold on
Mary, you shouldn't let 'em (5) you mad	
You hold the best you can	
And Mary, after all the pain is gone
