Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron star collision
I have nothing left to lose
You took (1)_____ (2)_____ to choose
Then we told each other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, fake and proud
Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing (3)_____ to lose
You take (4)_____ time to choose
I can (5)_____ you now without a trace of fear
That my (6)_____ (7)_____ be forever
And we'll die, we'll die together
Lie, I (8)_____ never
'Cause our love will be forever
