## Neutron Star Collision (Love Is Forever) by Muse

i was searching	rneir doctrines will be cloud
You were on a mission	Then they'll dissipate
Then our (1) combined like	Like (6) in an ocean
A neutron star collision	Love is forever
l have (2) to lose	And we'll die, we'll die together
You took your time to choose	And lie, I say never
Then we told each other	'Cause our love could be forever
With no (4) of fear that	Now I've got nothing left to lose
Our love would be forever	You take (7) time to choose
And if we die, we die together	I can tell you now without a trace of fear
And lie, I said never	That my love will be forever
Cause our love would be forever	And we'll die, we'll die together
The world is broken	Lie, I (8) never
Halos (5) to glisten	'Cause our love (9) be forever
You try to make a difference	
But no one wants to listen
