Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron star collision
I have nothing left to lose
You took your time to choose
Then we (1)_____ (2)_____ other
With no trace of (3)_____ that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love (4)_____ be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one (5)_____ to listen
Hail, the preachers, (6)_____ and proud

Their doctrines will be cloud
Then they'll dissipate
Like (7)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing (8)_____ to lose
You take your time to choose
I can tell you now without a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our (9)_____ (10)_____ be forever
