Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts (1)_____ like
A (2)_____ star collision
I have nothing left to lose
You (3)_____ your time to choose
Then we (4)_____ (5)_____ other
With no (6)_____ of fear that...
Our (7)_____ (8)_____ be forever
And if we die, we die together
And lie, I (9)_____ never
'Cause our (10)_____ would be forever
The world is broken
Halos (11)_____ to glisten
You try to (12)_____ a difference
But no one (13)_____ to listen
Hail, the preachers, (14)_____ and proud
Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love (15)_____ be forever
Now I've got (16)_____ left to lose
You take your (17)_____ to choose
I can tell you now without a trace of fear
That my (18)_____ will be forever
And we'll die, we'll die together
Lie, I (19)_____ never
'Cause our (20)_____ will be forever

Fill in the gaps

Answer
