

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You (1)_____ on a mission
Then our (2)_____ combined like
A (3)_____ star collision
I have (4)_____ left to lose
You took (5)_____ time to choose
Then we (6)_____ each other
With no (7)_____ of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love (8)_____ be forever
The world is broken
Halos (9)_____ to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, fake and proud

Their doctrines (10)_____ be cloud
Then they'll dissipate
Like (11)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our (12)_____ (13)_____ be forever
Now I've got nothing (14)_____ to lose
You take (15)_____ (16)_____ to choose
I can tell you now without a (17)_____ of fear
That my (18)_____ (19)_____ be forever
And we'll die, we'll die together
Lie, I (20)_____ never
'Cause our love (21)_____ be forever

Fill in the gaps

Answer

1. were
2. hearts
3. neutron
4. nothing
