

## Fill in the gaps

## Neutron Star Collision (Love Is Forever) by Muse

I was searching	Their (14) will be cloud
You (1) on a mission	Then they'll dissipate
Then our (2) combined like	Like (15) in an ocean
A (3) star collision	Love is forever
I have nothing (4) to lose	And we'll die, we'll die together
You took (5) (6) to choose	And lie, I say never
Then we (7) (8) other	'Cause our love could be forever
With no (9) of fear that	Now I've got (16) left to lose
Our (10) be forever	You (17) (18) (19) to choos
And if we die, we die together	I can tell you now (20) a (21)
And lie, I said never	of fear
'Cause our (12) (13) be forever	That my love (22) be forever
The world is broken	And we'll die, we'll die together
Halos fail to glisten	Lie, I (23) never
You try to make a difference	'Cause our love (24) be forever
But no one wants to listen	
Hail, the preachers, fake and proud
