

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our (1)_____ combined like
A neutron star collision
I (2)_____ (3)_____ left to lose
You took your (4)_____ to choose
Then we told each other
With no trace of fear that...
Our (5)_____ (6)_____ be forever
And if we die, we die together
And lie, I said never
'Cause our (7)_____ would be forever
The world is broken
Halos fail to glisten
You try to (8)_____ a difference
But no one (9)_____ to listen
Hail, the preachers, fake and proud

Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got (10)_____ (11)_____ to lose
You take your (12)_____ to choose
I can tell you now (13)_____ a (14)_____
of fear
That my (15)_____ (16)_____ be forever
And we'll die, we'll die together
Lie, I will never
'Cause our (17)_____ (18)_____ be forever

Answer

1. hearts
2. have
