Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron (1)_____ collision
I (2)_____ (3)_____ left to lose
You took your time to choose
Then we told each other
With no (4)_____ of (5)_____ that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love (6)_____ be forever
The (7)_____ is broken
Halos (8)_____ to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, fake and proud
Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing left to lose
You take your time to choose
I can tell you now (9)_____ a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever
