

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts (1)_____ like
A (2)_____ star collision
I (3)_____ (4)_____ left to lose
You took your time to choose
Then we told each other
With no trace of fear that...
Our love (5)_____ be forever
And if we die, we die together
And lie, I said never
'Cause our love (6)_____ be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, fake and proud

Their doctrines will be cloud
Then they'll dissipate
Like (7)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our (8)_____ could be forever
Now I've got (9)_____ left to lose
You take your time to choose
I can tell you now without a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love (10)_____ be forever

Fill in the gaps

Answer

1. combined
2. neutron
