

Fill in the gaps

From the coast of gold, across the seven seas	And (16) my (17) up to the sky
I'm traveling on, far and wide	So understand
But now it seems, I'm just a stranger to myself	Don't waste (18) time
And all the things I (1) do	Always (19) for those
It isn't me but someone else	(20) years
I close my eyes, and think of home	Face up (21) your stand
Another city (2) by, in the night	And (22) you're living in the golden years
Ain't it funny how it is, you never miss it til it's (3)	So understand
away	Don't waste (23) time
And my heart is (4) (5) and will be	Always searching for those wasted years
til my dying day	Face up make your stand
So understand	And realize you're (24) in the golden years
Don't (6) your time	So understand
Always searching for (7) wasted years	Don't (25) your time
Face up (8) stand	Always (26) for those wasted years
And realize you're (10) in the golden years	Face up (27) your stand
Too much (11) on my hands, I got you on my mind	And realize you're living in the golden years
Can't (12) this pain, so easily	
When you can't (13) the words to say	
It's hard to make it (14) another day	
And it (15) me wanna cry
