

Fill in the gaps

I try to picture the girl	Oh my, the congregation in my mind
Through a looking glass	Is this assembly singing of gratitude
And see her as a carbon atom	Practicing their loving for you
See her eyes and stare back at them	Live high, live mighty
See that girl	Live righteously
As her own new world	Taking it easy
Though a home is on the surface, she is still a universe	Live high, live mighty
Glory God, oh God is peeking through the blinds	(Ooh) Live righteously
Are we all here standing naked	And sing it out
Taking (1) at the actual date and time	And just (5) it easy
Oh my, justifying reasons why	And celebrate the malleable reality
Is an absolutely insane resolution to live by	You see nothing is ever as it seems
Live high, live mighty	Yeah, this life is but a dream
Live righteously	
Taking it easy	Live high, live high, (6) mighty mighty mighty, oo
Live high, (2) mighty	Live righteously
Live righteously	And taking it easy
I try to picture the man	Live high, live mighty
To (3) have an open hand	(Ooh) Live righteously
And see him as a giving tree	Just take, just just, (7) it easy
See him as matter	Live high, live mighty, mighty
Matter fact he's not a beast	Live righteously
Oh no not the devil either	Taking it easy
Always a good deed doer	Live high, live mighty
And it's (4) that we're making after all	(Ooh) Live righteously
The call of the wild is still an ordination why	Let's take it easy
And the order of the primates	
All our politics are too late
