

Fill in the gaps

I try to picture the girl	Oh my, the (14)	in my mind
Through a looking glass	Is this assembly singing of gratitude	
And see her as a carbon atom	Practicing (15) (16)	for you
See her eyes and stare back at them	Live high, live mighty	
See (1) girl	Live righteously	
As her own new world	Taking it easy	
Though a home is on the surface, she is still a universe	Live high, live mighty	
Glory God, oh God is (2) through the blinds	(Ooh) (17) righteously	
Are we all (3) standing naked	And (18) it out	
Taking guesses at the actual (4) and time	And just (19) it easy	
Oh my, justifying reasons why	And celebrate the (20)	_ reality
ls an (5) (6)	You see nothing is ever as it seems	
(7) to live by	Yeah, this (21) is but a dream	
Live high, live mighty		
Live righteously	Live high, live high, live (22)_	
Taking it easy	(23) mighty, oo	
Live high, live mighty	Live righteously	
Live righteously	And taking it easy	
I try to picture the man	Live high, (24) mighty	
To (8) have an open hand	(Ooh) Live righteously	
And see him as a (9) tree	Just take, just just, take it easy	
See him as matter	Live high, (25) mighty, mighty	
Matter fact he's not a beast	Live righteously	
Oh no not the (10) either	Taking it easy	
Always a good deed doer	Live high, live mighty	
And it's laughter that we're making after all	(Ooh) (26) righteously	
The call of the (11) is still an	Let's take it easy	
(12) why		
And the order of the primates		
All our (13) are too late
