I know I stand in line (1) you think					
You have the time to spend an evening with me					
And if we go someplace to dance					
I know that there's a chance					
You won't be leaving with me					
And afterwards we (2) into a quiet little place					
And have a (3) or two					
And then I go and spoil it all by saying					
Something stupid like I love you					
I can see it in your eyes that you despise					
The same old lines you (4) the night before					
And though it's just a line to you for me it's true					
And never seemed so right before

I practice (5) to find (6) clever lines					
I practice (5) to find (6) clever lines					
I practice (5) to find (6) clever lines  To say to make the meaning come true					
I practice (5) to find (6) clever lines  To say to make the meaning come true  But then I (7) I'll wait					
I practice (5) to find (6) clever lines  To say to make the meaning come true  But then I (7) I'll wait  Until the evening gets late					
I practice (5) to find (6) clever lines  To say to make the meaning come true  But then I (7) I'll wait  Until the evening gets late  And I'm (8) with you					
I practice (5) to find (6) clever lines  To say to make the meaning come true  But then I (7) I'll wait  Until the evening gets late  And I'm (8) with you  The time is right your perfume fills my head					
I practice (5) to find (6) clever lines  To say to make the meaning come true  But then I (7) I'll wait  Until the evening gets late  And I'm (8) with you  The time is right your perfume fills my head  The stars get red and on the nights so blue
