Something Stupid by Frank Sinatra

Fill in the gaps

I know I stand in line until you think
You have the (1) to (2) an evening with me
And if we go (3) to dance
I know (4) there's a chance
You won't be leaving (5) me
And afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all by saying
Something stupid like I love you
I can see it in your eyes that you despise
The same old lines you heard the night before
And though it's just a line to you for me it's true
And never seemed so right before
I practice everyday to find some clever lines
To say to make the meaning come true
But then I think I'll wait
Until the (6) gets late
And I'm (7) with you
The time is right your perfume fills my head
The stars get red and on the nights so blue
And then I go and spoil it all by saying
Something stupid like I (8) you
The time is right (9) perfume fills my head
The stars get red and on the (10) so blue
And then I go and spoil it all by saying
Something stupid like I love you
