Something Stupid by Frank Sinatra

I (1) I stand in line until you think
You have the time to spend an evening with me
And if we go (2) to dance
I know that there's a chance
You won't be leaving with me
And afterwards we drop into a quiet little place
And have a (3) or two
And then I go and spoil it all by saying
Something stupid like I love you
I can see it in your eyes that you despise
The same old lines you heard the night before
And though it's just a line to you for me it's true
And (4) seemed so right before
I practice everyday to find some (5) lines
(-)
To say to make the (6) come true
To say to make the (6) come true
To say to make the (6) come true But then I think I'll wait
To say to make the (6) come true But then I think I'll wait Until the evening gets late
To say to make the (6) come true But then I think I'll wait Until the evening gets late And I'm alone with you
To say to make the (6) come true But then I think I'll wait Until the evening gets late And I'm alone with you The time is right your perfume (7) my head
To say to make the (6) come true But then I think I'll wait Until the evening gets late And I'm alone with you The time is right your perfume (7) my head The stars get red and on the (8) so blue
To say to make the (6) come true But then I think I'll wait Until the evening gets late And I'm alone with you The time is right your perfume (7) my head The stars get red and on the (8) so blue And then I go and spoil it all by saying
