

And wondering what it means

Fill in the gaps

Some people live for the fortune	No one to share, no one who truly cares for me
Some people live just for the fame	Some people want it all
Some people live for the power yeah	But I don't want nothing at all
Some people (1) to play the game	If it ain't you baby
Some people (3) (4) the physical	If I ain't got you baby
things	Some people want (7) rings
Define what's within	Some just (8) everything
I've been (5) before	But everything means nothing
But that life's a bore	If I ain't got you
So full of the superficial	Some people want it all
Some (6) want it all	But I don't want nothing at all
But I don't want nothing at all	If it ain't you baby
If it ain't you baby	If I ain't got you baby
If I ain't got you baby	Some people want diamond rings
Some people want diamond rings	Some just want (9)
Some just want everything	But everything means nothing
But everything means nothing	If I ain't got you
If I ain't got you	If I ain't got you (10) me baby
Some people search for a fountain	Nothing in this whole wide world don't mean a thing
Promises forever young	If I ain't got you with me baby
Some people need three dozen roses	
And that's the only way to prove you love them	
And in an world on a silver platter
