

Fill in the gaps

This is what I look like today	So I'd never guess (13) I'm a none such unsuitable
And I'm trying not to (1) out my hair	Suited for her
I'm trying how to grow it but I'm far too shy	And if you ask me
To show it (2) there	The feeling (14) I'm (15) is
That is (3) why I (4)	complimentery
(5) hats	And oh, it goes to show
There's no denying I'm deferring the facts	The moral of the (16) is boy loves girl
Avoiding confrontation	And so on but the way it unfolds is yet to be told
Lacks tact in a situation	I know (17) I should be brave
Behind every (6) is a lesson yet to learn	Even (18) can be seen by the blind
But if you asked me	I know (19) I (20) wait
The feeling that I'm (7) is overwhelming	Until the day we finally learn how to (21) each
And oh, it (8) to show	other
There's so much to know	Redefining open minds
I (9) this for my prettiest friend	And if you ask me
But (10) trying not to prove that I care	The feeling (22) I'm (23) is
I was trying not to make all my moves	overjoyed
In one motion and scare her away	And it's golden, it (24) to show then
She can't see she's making me crazy now	The (25) of this song should be
I don't (11) she knows she's	(26) alone
(12) how	And so on 'cause the way it unfolds is yet to be told
She has me holding my breath
