Rootless by Marina & the Diamonds

I'm a cloud drifting by	With no sense of belonging
Dripping tears from the sky	For a root, for a leaf, for a branch, for a tree
I'm a snail without a shell	For something somebody (5) reminded
A leper with a golden bell	(6) of me
I've got nowhere to go	Running with my roots pulled up
I'm a (1) cat on the roam	Caught me cold so they could cut
Choking on a chicken bone	What there was left of love
For a home sweet, no (2) home	I'm rootless
For a root, for a leaf, for a branch, for a tree	I'm rootless
For something somebody that reminded them of me	Running with my roots pulled up
Running with my roots pulled up	So they could cut me free of love
Caught me cold so they could cut	Running with my (7) pulled up
What there was left of love	Caught me cold so they could cut
I'm rootless	What there was left of love
I'm rootless	I'm rootless
Work (3) fingers to the bone	I'm rootless
Building castles out of snow	Dragging my roots through the snow
I'm a nomad (4) on	Go home sweet and no sweet home
Humming to the same old song	I've got (8) to go
Lower case society	I'm rootless
Tight in no community	I'm rootless
A kingdom without a king
