

## Fill in the gaps

Green light, seven eleven
You stop in for a pack of cigarettes
You don't smoke, don't even (1) to
Hey now, I see you (2) your change
Dressed up like a car crash
The (3) are turning but you're upside down
You say when he hits you, you don't mind
Because when he hurts you, you feel alive
Oh, now, Is that what it is?
Red lights, gray morning
You stumble out of a hole in the ground
A vampire or a victim
It depends on who's around
You used to stay in to watch the adverts
You could lip sync with the talk show hosts
And if you look, you look through me
And if you talk it's not to me
And when I touch you, you don't feel a thing
If I could stay then the (4) would give you up
Stay, and the day would keep its trust
Stay, and the night would be enough
Faraway, so close

Up with the static and the radio waves
With satellite television
You can go anywhere
Miami, New Orleans, London, Belfast and Berlin
And if you listen I can't call
And if you jump, you just might fall
And if you shout I'll only (5) you
If I could stay then the night (6) give you up
Stay then the day would keep its trust
If I could stay with the demons you drown
Stay with the (7) I found
Stay and the (8) would be enough
(oh oh oh oh)
Three o'clock in the morning
It's quiet and there's no one around
Just the bang and the clatter
As an angel runs to the ground
Just the (9) and the clatter
As an (10) hits the ground
