## Time Of Your Life by Greenday

## Fill in the gaps

Another turning point
A fork stuck in the road
Fime grabs you by the wrist
Directs you where to go
So make the best of this test
And don't ask why
t's not a question
But a lesson (1) in time
t's (2) unpredictable
But in the end it's right
(3) you had the (4) of your life
So take the photographs
And still frames in your mind
Hang it on a shelf
n good health and good time
Tattoos of memories
And dead (5) on trial
For what it's worth
t was worth all the while
t's (6) unpredictable
But in the end it's right
(7) you had the (8) of your life
t's something unpredictable
But in the end it's right
hope you had the (9) of your life
t's something unpredictable
But in the end it's right
hope you had the time of (10) life
