

Fill in the gaps

__ now

(Yeah, yeah, yeah, yeah)	'Cause we are so young now
(Yeah, yeah, yeah, yeah)	We are so young, so (5) now
We are taking it easy and bright and breezy, yeah	And when tommorow comes
We are living it up just fine and dandy, yeah	We can do it all again
We are caught in a haze on	Yeah, we are so young now
These lazy summer days	We are so young, so young now
And spending all of our nights	And when tommorow comes
Just laughing, kissing, yeah	We'll just do it all again
And it (1) doesn't matter	All again
That we don't eat	All again
And it really doesn't matter	(Yeah)
If we never sleep	All again
No it really doesn't matter	All again
Really doesn't matter at all	Yeah, yeah, yeah
'Cause we are so (2) now	So (6) now
And we are so young, so young then	We are so, so young now
And when tommorow comes	And when tommorow comes
We can do it all again	We'll just do it all again
(Oh) We are chasing the (3) just running	Yeah, we are so young now
Wild and free	We are so young, so young now
(Oh) We are following through	And when (7) comes
Every dream and every need	We'll just do it all again
And it (4) doesn't matter	We are so young, yeah
If we don't eat	We are so young, yeah
And it really doesn't matter	We are so young, yeah
If we never sleep	
No it really doesn't matter	
Really doesn't matter at all	

1. really

- 2. young
- 3. moon
- 4. really
- 5. young
