When You Kiss Me by Shania Twain

Yeah	And when you're (6) me
This could be it	The world just goes away
I think I'm in love	The way you hold me
It's love (1) time	The way you show me
It just (2) to fit	That you adore me
I think I'm in love	Oh, when you kiss me
This love is mine	(Mmm) Yeah
I can see you (3) me when I'm older	I can see you with me when I'm older
All my lonely nights are finally over	All my (7) nights are finally over
You took the weight of the (4) off my shoulders	You took the weight of the world off my shoulders
(The world just goes away)	(The world just goes away)
Oh, when you kiss me	When you kiss me
I know you miss me	I know you miss me
And (5) you're with me	And when you're with me
The world just goes away	The (8) just goes away
The way you hold me	The way you hold me
The way you show me	The way you show me
That you adore me	That you adore me
Oh, when you kiss me	The world just (9) away
Oh, yeah	(When you kiss me)
You are the one	When you kiss me
I think I'm in love	(I know you miss me)
Life has begun	I know you miss me
(I think I'm in love)	(And when you're with me)
I can see the two of us together	Oh
I know I'm gonna be with you forever	The world just goes away
Love couldn't be any better	When you kiss me
(The world just goes away)	
Oh, when you kiss me	
I know you miss me
