

It's all love, you know

## Fill in the gaps

| From Jamaica to the world                |                       | It's all love                      |
|--|-----------------------|------------------------------------|
| It's just love, It's just love           |                       | From I and I to everyone           |
| Why (1) the children play in the street  |                       | We got to love                     |
| Broken arms can fade the dreams          |                       | But we got to love, yeah           |
| Peace on earth to everyone that you meet |                       | There's no need to cry (oh)        |
| Don't you worry, it could be so sweet    |                       | We got to love                     |
| Just look to the (2)                     | you will see          | But we got to love, yeah           |
| The sun will shine 'till eternity        |                       | Gotta live, gotta love (haha)      |
| I've got so (3) love in my heart         |                       | You know what I'm talking about    |
| No one can tear it apart, yeah           |                       | Come on                            |
| Feel the love generation                 |                       | Feel the love generation           |
| Yeah, yeah, yeah                         |                       | Yeah, yeah, yeah                   |
| Feel the love generation                 |                       | Feel the (7) generation            |
| Come on, come on, yeah                   |                       | Come on, come on, (8) on, yeah     |
| Feel the (4) generation                  |                       | Feel the love generation           |
| Yeah, yeah, yeah                         |                       | Yeah, yeah, yeah                   |
| Feel the love generation                 |                       | Feel the love generation           |
| Oh yeah                                  |                       | Come on, come on                   |
| Don't (5)                                | about a thing         | Feel the love generation           |
| Gonna be all right                       |                       | (Oh) yeah, yeah, as I (9) you know |
| Don't (6)                                | about a thing         | Feel the love generation           |
| Gonna be alright                         |                       | We got to love                     |
| Don't worry about a thing                |                       | But we got to love                 |
| Gonna be alright                         |                       | But we got to love, yeah           |
| Gonna be, gonna, go                      | nna, gonna be alright |                                    |

- 1. most
- 2. rainbow
