Fill in the gaps

You're The Reason (Acoustic) by Victoria Justice

I don't want to make a scene	You're the (12) reason that I'm not
I don't (1) to let you down	(13) to fly
Try to do my own thing	And it's crazy
And I'm starting to figure it out	That (14) could change me
That it's alright	Now no (15) what it is I have to do
Keep it (2) wherever we go	I'm not afraid to try
And it's alright, oh well, whatever	And you need to know that you're the reason
Everybody needs to know	Why
You might be crazy	If it was raining, you would yell at the sun
Have I told you lately	Pick up the pieces (16) the damage is done
That I love you?	You say it's just another day in the shade
You're the only reason (3) I'm not afraid to fly	Look at what a mess we made
And it's crazy	You might be crazy
That someone could change me	Have I told you lately
Now no (4) (5) it is I have to do	That I love you?
I'm not afraid to try	You're the only (17) (18) I'm no
And you (6) to (7) that you're the	afraid to fly
reason	You (19) be crazy
Why	Have I (20) you lately
I don't even care when (8) say	That I love you?
You're a little bit off	You're the only (21) that I'm not afraid to fly
Look me in the eye, I say	And it's crazy
I (9) never get enough	That (22) could change me
'Cause it's alright	Now no matter what it is I have to do
Keep it together (10) we go	I'm not afraid to try
And it's alright, oh well, whatever	And you need to know (23) you're the reason
Everybody (11) to know	Why
You might be crazy	I don't (24) to (25) a scene
Have I told you lately	I don't want to let you down
That I love you?
