Have You Ever Really Loved A Woman? (Live) by Bryan Adams

To really	To tell her that it's gonna last together
Love a woman	Tell me have you ever really
To understand her	Really, really ever loved a woman?
You (1) know her deep inside	(Yeah)
Hear every thought	You got to give her some faith
See every dream	Hold her tight
And give her (2) when she wants to fly	A little tenderness
And when you find yourself lying helpless	You gotta treat her right
In her arms	She will be there for you
You know you really	Taking good (7) of you
Love a woman	You really gotta love your woman
When you love a woman	And when you find yourself lying helpless
You (3) her that she's really wanted	In her arms
When you love a woman	You know you really
You (4) her that she's the one	Love a woman
'cause she needs somebody	(Yeah)
To tell her that it's gonna last forever	When you (8) a woman
So tell me have you ever really	You tell her that she's really wanted
Really, (5) ever loved a woman?	When you love a woman
To really (6) a woman	You tell her that she's the one
Let her hold you	She needs somebody
Till you know how she needs to be touched	To tell her that it's gonna last together
You've gotta breathe her	Tell me have you ever really
Really taste her	Really, really ever loved a woman?
Till you can feel her	(Yeah)
In your blood	Tell me (9) you (10) really
And when you see your unborn children	Really, really ever loved a woman?
In her eyes	(Oh) You've got to tell me have you ever really
You know you really love a woman	(Really, really ever loved)
When you love a woman	Really, really ever loved
You tell her that she's really wanted	A woman?
