## Fill in the gaps

### Everything Has Changed by Taylor Swift & Ed Sheeran

| All I knew this morning when I woke        | I just want to know you know you know you      |
|--|--|
| Is I know something now                    | 'Cause all I know is we said "hello"           |
| Know something now I didn't before         | And your eyes look like coming home            |
| And all I've seen (1) eighteen hours ago   | All I know is a simple name                    |
| Is (2) eyes and freckles and your smile    | Everything has changed                         |
| In the back of my mind making me feel like | All I (19) is you held the door                |
| I just (3) to know you better know         | You'll be mine and I'll be yours (oh)          |
| You better (4) you (5) now                 | All I know since yesterday                     |
| I just want to (6) you better know         | ls (20) has changed                            |
| You better know you (7) now                | Come back and tell me why                      |
| I just (8) to know you (9) know            | I'm feeling like I've missed you all this time |
| You (10) know you better now               | (Oh, oh, oh)                                   |
| I just want to know you know you (11) you  | And meet me there tonight                      |
| 'Cause all I know is we said "hello"       | Let me know (21) it's not all in my mind       |
| And your eyes look like coming home        | I just want to know you (22) know              |
| All I know is a simple name                | You better now you better now                  |
| Everything has changed                     | I just want to know you know you know you      |
| All I know is you held the door            | All I know is we said "hello"                  |
| You'll be mine and I'll be yours (oh)      | Your eyes look like (23) home                  |
| All I (12) since yesterday                 | All I know is a simple name                    |
| Is everything has changed                  | Everything has changed                         |
| And all my walls stood tall, (13) blue     | All I know is you held the door                |
| I'll take 'em down, take 'em down          | You'll be mine and I'll be yours               |
| And open up the door for you               | All I know (24) yesterday                      |
| And all I feel                             | Is everything has changed                      |
| In my stomach is butterflies               | All I know is we said "hello"                  |
| The beautiful kind                         | So dust off your highest hopes                 |
| Makin' up for lost time                    | All I know is (25) rain                        |
| Takin' flight making me feel like          | And everything has changed                     |
| I (14) (15) to know you better know        | All I (26) is a new found grace                |
| You better know you better now             | All my days I'll know your face                |
| I (16) want to know you better know        | All I know since yesterday                     |
| You better know you better now             | Is (27) has changed                            |
| I just want to (17) you better know        |  |
| You better (18) you better now             |  |

### Fill in the gaps
