

Fill in the gaps

Viva La Vida (Cover) by Taylor Swift

l used to (1) the world	It was a wicked and wild wind
Seas would rise when I gave the word	Blew down the doors to let me in
Now in the (2) I (3) alone	Shattered (17) and the sound of drums
Sweep the (4) I (5) to own	People couldn't believe (18) I'd become
I (6) to roll the dice	Revolutionaries wait
Feel the fear in my enemy's eyes	For my head on a silver plate
Listen as the crowd would sing	Just a puppet on a lonely string
Now the old king is dead	(Oh) who would ever wanna be king?
Long (7) the king	I (19) Jerusalem bells a-ringing
One (8) I held the keys	Roman Cavalry choirs are singing
Next the (9) were closed on me	Be my mirror, my sword and shield
And I discovered that my castles stand	My (20) in a
Upon (10) of salt	(21) field
Pillars of sand	For some reason I (22) explain
l (11) (12)	I know Saint Peter won't (23) my name
(13) a-ringing	Never an honest word
Roman Cavalry choirs are singing	But that was when I (24) the world
Be my mirror, my sword and shield	For some reason I can't explain
My missionaries in a (14) field	I know Saint Peter won't call my name
For some reason I (15) explain	Never an (25) word
Once you go there was never	But (26) was (27) I ruled the world
Never an (16) word	
But that was when I ruled the world
