

Fill in the gaps

Viva La Vida (Cover) by Taylor Swift

I (1) to rule the	e world	It was a wicked and (6) wind	
Seas would rise when I gave the word		Blew down the doors to let me in	
Now in the morning I (2) alone		Shattered windows and the sound of drums	
Sweep the streets I used to own		People couldn't believe what (7)	_ become
I used to roll the dice		Revolutionaries wait	
Feel the fear in my enemy's eyes		For my head on a (8) plate	
Listen as the crowd would sing		Just a puppet on a lonely string	
Now the old king is dead		(Oh) who would ever wanna be king?	
Long live the king		I hear Jerusalem bells a-ringing	
One minute I held the keys		Roman Cavalry choirs are singing	
Next the doors (3) closed on me		Be my mirror, my sword and shield	
And I discovered that my castles stand		My missionaries in a foreign field	
Upon pillars of salt		For some (9) I can't explain	
Pillars of sand		I know Saint Peter won't call my name	
I hear (4)	bells a-ringing	Never an honest word	
Roman Cavalry choirs are singing		But that was when I ruled the world	
Be my mirror, my sword and shield		For some reason I can't explain	
My missionaries in a foreign field		I know Saint Peter won't call my name	
For some reason I (5)	explain	Never an honest word	
Once you go there was never		But that was when I ruled the world	
Never an honest word			
But that was when I ruled	the world
