## Come Back... Be Here by Taylor Swift

You said it in a simple way	And this is when the feeling sinks in
Four a.m. the second day	I don't wanna miss you like this
How strange that I don't know you at all	Come back, be here
Stumbled (1) the long goodbye	Come back, be here
One last kiss, then catch your flight	I guess you're in London today
Right when I was just about to fall	I don't wanna need you this way
I told myself don't get attached	Come back, be here
But in my mind I (2) it back	Come back, be here
Spinning faster than the plane that took you	This is (7) in (8) in the cruelest
And this is when the feeling sinks in	way
I don't wanna miss you like this	This is falling for you and you are worlds away
Come back, be here	New York be here
Come back, be here	But you're in London and I break down
I guess you're in New York today	'Cause it's not fair (9) you're not around
I don't wanna need you this way	This is when the feeling sinks in
Come back, be here	I don't wanna miss you like this
Come back, be here	Come back, be here
The (3) rush	Come back, be here
The feeling you can know so much	I guess you're in New York today
Without knowing (5) at all	And I don't wanna need you this way
And now that I can put this down	Come back, be here
If I had known what I know now	Come back, be here
I never would have played so nonchalant	I don't (10) miss you like this
Taxi cabs and busy streets	Come back, be here
That never bring you back to me	Come back, be here
I can't help but wish you took me (6) you
