## Should've Said No (Live) by Taylor Swift

It's strange to think the (1) we used to sing	You should've thought (6) 'fore you let it all go
The smiles, the flowers, everything is gone	You should've know that word
Yesterday I (2) out about you	But with what you did with her
Even now just looking at you feels wrong	Get back to me (get back to me)
You say (3) you'd take it all back	And I should've been there
Given one chance	In the back of your mind
It was a moment of weakness	I shouldn't be asking myself "why?"
And you said "yes"	You shouldn't be (7) for
You should've said "no"	Forgiveness at my feet
You should've (4) home	You should've said "no"
You should've thought twice 'fore you let it all go	Baby, and you might still have me
You should've know that word	I can't resist
With what you did with her	Before you go tell me this
Get back to me (get back to me)	Was it worth it?
And I should've been there	Was she worth this?
In the back of your mind	No no, no no no, no
I shouldn't be asking myself "why?"	You should've said "no"
You shouldn't be begging for	You should've gone home
Forgiveness at my feet	You should've thought twice 'fore you let it all go
You should've said "no"	You should've know that word
Baby, and you might still (5) me	But with what you did (8) her
You can see that I've been crying	Get back to me (get back to me)
Baby you know all the right things to say	And I should've been there
But do you	In the (9) of your mind
Honestly expect me to believe	I shouldn't be asking myself "why?"
We could ever be the same?	You shouldn't be begging
You say that the past is the past	For forgiveness at my feet
You need one chance	You should've said "no"
It was a moment of weakness	Baby, and you might still have me
And you said "yes"
