

I'm wonderstruck, blushing all the way home

Fill in the gaps

There I was again tonight		I'll spend forever wondering if you knew
Forcing laughter, faking smiles		This night is flawless
Same old tired, lonely place		Don't you let it go
Valls of insincerity		I'm wonderstruck, dancing around all alone
Shifiting eyes and vancancy		I'll spend forever wondering if you knew
/anished when I saw (1) face		I was enchanted to meet you
All I can say is it was (2)	to meet	This is me praying that
ou		This was the very first page
our eyes whispered "have we met?"		Not where the story line ends
Across the room your silhouette		My thoughts will echo your name
Starts to make it's way to me		Until I see you again
The playful (3) star	ts	These are the words I held back
Counter all your quick remarks like		As I was (6) too soon
Passing notes in secrecy		I was enchanted to meet you
And it was enchanting to meet you		Please don't be in love with someone else
All I can say is I was enchanted to meet you		Please don't have somebody waiting on you
This night is sparkling		Please don't be in love with someone else
Don't you let it go		Please don't have somebody waiting on you
m wonderstruck, blushing all the way home		This night is sparkling
'll spend forever wondering if you knew		Don't you let it go
was enchanted to meet you		I'm wonderstruck, blushing all the way home
The lingering (4) kept me up		I'll spend forever wondering if you knew
2 a.m. who do you love?		This (7) is flawless
wonder till I'm wide awake		Don't you let it go
Now I'm pacing back and forth		I'm wonderstruck, dancing around all alone
Vishing you were at my door		I'll spend forever wondering if you knew
'd open up and you would say (hey)		I was enchanted to (8) you
t was enchanting to meet you		Please don't be in love with someone else
All I know is I was enchanted to (5) you	l	Please don't (9) somebody (10)
This night is sparkling		on you
Don't you let it go
