

## Fill in the gaps

There I was again tonight
Forcing laughter, faking smiles
Same old tired, lonely place
Walls of insincerity
Shifiting eyes and vancancy
Vanished when I saw your face
All I can say is it was enchanting to meet you
Your eyes whispered "have we met?"
Across the room your silhouette
Starts to make it's way to me
The playful conversation starts
Counter all your (1) remarks like
Passing (2) in secrecy
And it was enchanting to (3) you
All I can say is I was enchanted to meet you
This night is sparkling
Don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend (4) wondering if you knew
I was enchanted to meet you
The lingering question kept me up
2 a.m. who do you love?
I wonder till I'm wide awake
Now I'm pacing back and forth
Wishing you were at my door
I'd open up and you would say (hey)
It was enchanting to meet you
All I know is I was enchanted to meet you
This night is sparkling
Don't you let it go
I'm wonderstruck, (5) all the way home

I'll spend forever wondering if you knew
This night is flawless
Don't you let it go
I'm wonderstruck, dancing around all alone
I'll spend (6) wondering if you knew
I was enchanted to meet you
This is me praying that
This was the very first page
Not where the story line ends
My thoughts will echo your name
Until I see you again
These are the (7) I (8) back
As I was leaving too soon
I was (9) to meet you
Please don't be in love with someone else
Please don't have somebody waiting on you
Please don't be in love with someone else
Please don't have somebody waiting on you
This night is sparkling
Don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend forever wondering if you knew
This night is flawless
Don't you let it go
I'm wonderstruck, dancing around all alone
I'll spend forever wondering if you knew
I was enchanted to meet you
Please don't be in love (10) someone else
Please don't have somebody waiting on you
