I walked through the door (1) you	Maybe we got (7) in translation
The air was cold	Maybe I asked for too much
But something 'bout it felt like	But maybe this thing was a masterpiece
Home somehow and I	Till you tore it all up
Left my scarf there	Running scared, I was there
At your sister's house and you still got it	I remember it all too well
In your drawer even now	Hey you called me up again
(Oh) your sweet disposition	Just to break me like a promise
And my wide-eyed gaze	So casually cruel in the name of being honest
We're singing in a car getting lost upstate	I'm a crumbled up piece of paper lying here
Autumn leaves falling down like pieces into place	'Cause I remember it all all all
And I can picture it after all these days	Too well
And I know it's (2) gone and	Time won't fly; it's like I'm paralyzed by it
That magic's not here no more	I'd like to be my old self again
And it might be okay, but I'm not fine at all	But I'm still trying to find it
'Cause here we are again on (3) little town street	After plaid shirt days and nights
You almost ran the red	When you made me your own
'Cause you were looking over at me	Now you mail back my things
Wind in my hair, I was there	And I walk home alone
I remember it all too well	But you keep my old scarf
Photo album on the counter	From (8) very first week
Your cheeks were turning red	Cause it reminds you of innocence
You used to be a little kid	And it smells like me
With glasses in a twin-sized bed	You can't get rid of it
Your mother's telling stories 'bout you	'Cause you remember it all too well
On the t-ball team	(Yeah)
You (4) me about your past	'Cause there we are again when I loved you so
Thinking your future was me	Back before you lost
And I know it's long gone	The one real thing you've ever known
And there was nothing else I could do	It was rare, I was there
And I forget (5) you long enough	I remember it all too well
To forget why I needed to	Wind in my hair, you were there
'Cause here we are again	You remember it all
In the middle of the night	Down the stairs, you were there
We're dancing (6) the kitchen	You remember it all
In the refrigerator light	It was rare, I was there
Down the stairs, I was there	I (9) it all too well
I remember it all too well	
(Yeah)
